ROWENA'S TIP SHEET

SMALL IS BEAUTIFUL

Overlooking the Harrison River, in one of the Lower Mainland's most stunning settings, is a European-style luxury boutique hotel. A hidden jewel, yet minutes from Harrison Hot Springs. Professional, courteous staff has become the unquestioned hallmark of Sandpiper Resort through a commitment to helpful, responsive and attentive service.

HIDDEN LOCATION

Secluded on a lush 160-acre estate, Sandpiper Resort recognizes the need for comfort, privacy, personalized service, and has defined and perfected the art of hospitality. From the moment you step onto the property, you'll know you've entered a jewel of a property.

ADVENTURE & HERITAGE

Sandpiper Resort offers guests easy access to everything the region has to offer. Tour the Kilby Historical Site, go eco-touring, spend the day hiking, skiing, snowboarding or snowshoeing at Hemlock Valley Resort or enjoy an afternoon of horseback riding and paragliding. Situated on land originally granted by Queen Victoria, your guests will feel transported back to a simpler time with old photos and where an old water-driven pelton wheel still generates electricity.

AAAH, SPA

The therapist's goal at Sandpiper is to assist guests in creating a higher quality of life; through purification and rejuvenation, or merely rebalancing, relaxing, and soothing aches and pains.

BALD EAGLE VIEWING

Harrison Mills is home to the world's largest concentrated eagle gathering. Thousands of bald eagles return every year with increasing numbers. Enjoy a short trail walk through the resort's tranquil forest to a specially designated bald eagle viewing area.

AFTERNOON TEA

Sandpipers' very own High Tea service. Indulge in tea sandwiches, pastries and refreshments in the Inn's historical drawing room for the best price in the province.

STEP BACK IN TIME

Step back in time and indulge in an epicurean experience in front of a wood-burning fireplace amidst the historical elegance of Rowena's Inn.

FAIRY TALE WEDDING

Weddings infused with creativity, personality, infectious joy and love. Rowena's Inn On The River is a fairytale come true with old manor character and ornate details around every corner. Much more...but we will reveal.

FOREST GOLFING

Sandpiper Golf Course is an 18-hole resort-style course situated on a historic piece of land alongside the tranquil, aqua waters of the Harrison River. It's 'forest golfing' at its finest with abundant wildlife consisting of eagles and sandpipers and two distinctly different environments — the open fairways alongside the river and the quiet serenity amongst the ancient 180 ft. Douglas Firs. Our famous Sasquatch Footprint is the signature hole.

IN HOUSE DINING

The Clubhouse Restaurant (formerly known as River's Edge) takes pride in preparing ingredients with a fresh approach, pairing local VQA wines with tantalizing, seasonal menus. Make sure you check out Sunday Brunch.

DISCOVER REGIONAL CUISINE

From wineries, artisan cheeses and meats to fresh organic produce, the Cycle Food Tour attracts foodies from far and wide.

CHRISTMAS IN HARRISON MILLS
