SANDPIPER GOLF COURSE

For guests who like to golf, Sandpiper Golf Course, a waterfront 18-hole 72 par course, is located right beside Rowena's Inn on the River, and is heralded as one of BC's most scenic courses.

Framed by the rugged backdrop of the Cheam Mountains, Sandpiper Golf Course is forest golfing at its finest with abundant wildlife consisting of eagles and sandpipers in

two distinctly different environments — the open fairways alongside the river and the quiet serenity among the towering Douglas Firs.

There are a number of outstanding holes, but the most memorable is the 486-yard par 5 fifteenth. The footprint of the legendary Sasquatch guards the green on this signature hole.
